THE SONOMA COUNTY AREA AGENCY ON AGING WANTS TO HEAR FROM YOU! - Make your voice heard

about issues of aging in Sonoma County. The Area Agency on Aging (AAA) invites community members of all ages to share their thoughts and concerns about the needs of local older adults, individuals with disabilities and local caregivers. You can do this by attending a live focus group or by completing a survey online. The live focus group on June 3rd from 1:00 - 2:00 pm at the **Village Network of Petaluma/ PEP Community room, 955 Petaluma Blvd South**. Refreshments will be provided. Please register online in advance here: <https://aaafocusgroup060319.eventbrite.com> Or you can register by phone by calling AAA at (707) 565-5950. Other opportunities for live focus groups are listed below. Not able to attend the Focus Group, but still want to share your comments? You can fill out the survey through the Community Assessment Survey online, visit: <http://sonomacounty.ca.gov/Human-Services/Adult-and-Aging/Area-Agency-on-Aging/>, or contact AAA by phone at (707) 565-5950 or aasecretary@schsd.org. This important survey will let residents of Sonoma County voice their thoughts and concerns about the needs of local older adults, individuals with disabilities and local caregivers. The community's input will guide the AAA and its Advisory Council's new plan of action and funding priorities for programs and services for the next four years. The survey asks you to rate topics of most and least concern in areas such as housing, transportation, remaining safely at home and caregiving. Residents can identify concerns about aging, including health and quality of life and say where help is needed, such as care management, household help and managing medications.
