We would like to invite you, or someone you know, to join us as one of our volunteers. If you are interested in becoming a part of our community, please attend our new **Volunteer 101 Training to be held on Monday, May 13th from 1- 4:00 pm**, at the Village office, located at 955 Petaluma Blvd South in Petaluma. You are welcome to attend even if you are just interested in finding out more about volunteering for the Village.

We currently have a particular need for volunteers to work on our Transportation Team, driving members who no longer drive; our Call Response Team, working in the Village office taking service requests from members; or on one of several other volunteer teams: working on Village programs, offering handyperson services, providing friendly visits or technology assistance to members. We also have a new team forming to help members with resources that might be available to them. Most of our volunteer positions are flexible and do not require having a set schedule. You choose how much time you have to give! Volunteering is a great way to meet new friends while helping one another as part of this dynamic community. Everyone is invited to the training, even if just to find out more about what volunteers do at the Village. If you, or someone you know, would like to attend either training, we need you to RSVP. Please email me at info@villagenetworkofpetaluma.org, or call the office at 707-776-6055 to let us know you are interested in coming.

ST. JAMES COMMUNITY GARDEN. Spring is in the air...and it's time to get our garden planted. We desperately need help this year since several of our regular members are temporarily unable to help us. If you can help out at all, please contact Lois, 477-9411 (lpearson056@gmail.com) or John Shribbs, 479-5651 (jshribbs@comcast.net). We can work around anyone's availability. You'd be surprised at how much we can accomplish with another hand or two helping out. We are trying to recruit more volunteers to our ministry. If you have an hour or so during the week or on the weekend, please contact Lois at lpearson056@gmail.com or 707-477-9411. Upcoming workdays are Monday, May 6th, and Monday, May 13th, between 8:30 am. and noon.
