Registration is underway at St. Vincent de Paul Elementary School. We are currently accepting applications. We provide a K-8th grade faith-filled education in a safe and nurturing environment. If you are interested, please visit our website or call the office to schedule a tour. Our students have been very busy on campus.

*Third grade enjoyed a sunny morning on the SVES playground, tracing shadows and learning about the sun, moon and stars!

*First grade enjoyed a Wild Care presentation thanks to a grant from the John Jordan Foundation. Students saw and learned about the adaptations of three rescue animals native to California: a Northern Spotted Owl, a Virginia Opossum, and a Rosy Boa.

*Fourth grade students created a Google Slide presentation in Technology class with Mrs. Vollert. Their slides included images and text of clues for a mystery object. As they presented, the class tried to guess what that object was! For more information, go to www.svelem.org or call the office at 762-6426.
